Due to the concern around COVID-19, and in alignment with the best practices laid out by the CDC, WHO and other relevant entities, The ASC Forum has decided to go virtual for the 2021 event.

Bringing People Together to Help Each Other

The ASC Forum is three half days of uniquely structured interactive roundtable sessions, information sharing and networking - 100% online! Get introduced to dozens of others responsible for Ambulatory Surgery Centers as well as senior representatives from the vendor community who will share how they're approaching industry issues. The ASC Forum is your opportunity to get insights on an immediate issue, learn what's working for your peers and what's not, and gain new relationships with colleagues from across the country.

HOW TO PARTICIPATE

To be eligible, you must direct, manage, or be a decision-maker for a Hospital Outpatient Department or Free Standing ASC facility with a minimum of two ORs. Your title should be Medical Director, Clinical Director, Clinical Manager, Director of Nursing, Administrative Director, Physician/Owner, or you should have a minimum of five years in the industry. You should have challenges that you are interested in sharing, a willingness to help others, and a desire to learn about products or services that can help you in the next 6 to 18 months.
